COPY TODAY.

"From its earliest drafts, the U.S. Constitution was always meant to be read closely for its meaning, context, and intent. Seth Lipsky has now undertaken an unprecedented labor in parsing the details of the document, clause by clause, and has produced...an extraordinary book that will help to ensure that our founding and sustaining document gets the respect it deserves."

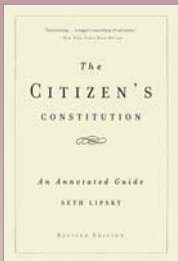

—Gordon Crovitz, former publisher, the *Wall Street Journal*

In this delightfully quick, witty, readable, and authoritative guide, Seth Lipsky, legendary newspaperman, places the United States Constitution and its clauses into context. In more than 300 sparkling annotations—fully updated for the paperback edition—**The Citizen's Constitution** draws on the writings of the founders, case law from our greatest judges, and current events.

April 2011, 368 pages, ISBN: 978-0-465-02124-6, \$16.99, paperback  
Hardcover edition available now: 352 pages, ISBN: 978-0-465-01858-1, \$25.95
