# The Associated Press Stylebook 2009 And Briefing on Media Law

THE EDITORS OF THE ASSOCIATED PRESS

---

The style of the Associated Press is the gold standard of news writing. Fully revised and updated, this new edition of *The AP Stylebook* contains more than 3,000 A to Z entries—including more than 200 new ones—detailing the AP's rules on grammar, spelling, punctuation, capitalization, abbreviation and word and numeral usage. New entries include anti-spyware, high-definition, iPhone, outsourcing, podcast, text messaging, social networking, snail mail, WMD and Wikipedia. Some of the specific questions this book answers include:

- How should bankruptcy and mergers and acquisitions be covered?
- When should the names of government bodies or businesses be spelled out and when should they be abbreviated?
- What are the general definitions of the major religious movements?
- Which companies do the big media conglomerates own?
- Who are all the members of the British Commonwealth?
- What constitutes “fair use”?
- What exactly does the Freedom of Information Act cover?

With invaluable sections on the unique guidelines for business and sports reporting and on how to guard against libel and copyright infringement, *The AP Stylebook* is the one reference that journalism students cannot afford to be without.

June 2009, 416 Pages, 978-0-465-01262-6, \$18.95, pb
