

FOURTH EDITION | AN INTRODUCTION

KINSHIP AND GENDER

LINDA STONE

NEW EDITION FROM WESTVIEW PRESS!

“This is an excellent text for teaching, with compelling case studies and an engaging, accessible style.”

— Diane E. King, University of Kentucky

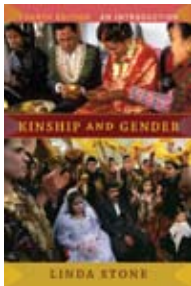

This essential book provides a basic introduction to anthropological kinship and its intricate connections to cross-cultural issues of gender. In addition to providing discussion questions and useful websites, the new fourth edition:

- » **Includes a new chapter on kinship, gender, and contemporary social problems** connecting the relevance of kinship/gender factors to a number of current social issues around the world, including Mormon polygamy and Indian dowry deaths.
- » **Features fourteen ethnographic case studies**, including two new to this edition about honor killings among the Kurds of northern Iraq and “Necktie” alcoholics and spouse abuse in Japan.
- » **Discusses contemporary directions in investigations of kinship and gender**, including Euro-American kinship and gender and new reproductive technologies in addition to more exotic kinship customs and gender roles.
