

NEW EDITION!

Revised and Updated Edition

Labor of Love, Labor of Sorrow
Black Women, Work, and the Family,
from Slavery to the Present

Jacqueline Jones

“A seminal work of scholarship, which has no rival in its subtle explication of the complex interface of work, sex, race and class. All future studies of the black worker will have to take this book into account.”

— HENRY LOUIS GATES, JR.

The forces that shaped the institution of slavery in the American South endured, albeit in altered form, long after slavery was abolished. Toiling in sweltering Virginia tobacco factories or in the kitchens of white families in Chicago, black women felt a stultifying combination of racial discrimination and sexual prejudice. And yet, in their efforts to sustain family ties, they shared a common purpose with wives and mothers of all classes.

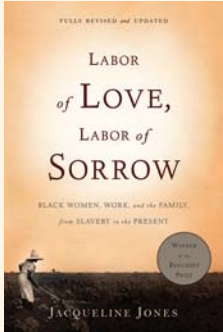

In *Labor of Love, Labor of Sorrow*, historian Jacqueline Jones offers a powerful account of the changing role of black women, lending a voice to an unsung struggle from the depths of slavery to the ongoing fight for civil rights. Revised and updated throughout, this Bancroft Prize-winning classic is ideal for courses in African American and women’s history.

January 2010, 480 pages, 978-0-465-01881-9, \$18.95, pb
