## Women's Movements in the Global Era

THE POWER OF LOCAL FEMINISMS

*Edited by Amrita Basu*

“This outstanding set of thirteen nation-based studies provides a rich resource for anyone trying to understand the evolution [of women’s movements]. Amrita Basu, one of the foremost scholars in this area, provides a superb introduction: analytically sophisticated, lucid, and bold.”

—Martha Nussbaum, *The University of Chicago*

This book provides a path-breaking study of the genesis, growth, gains, and dilemmas of women’s movements throughout the world. Key features include:

**Impressive scope:** With a wealth of comparative data and focus on the global South, this book covers women’s movements in Africa, Asia, Latin America, the Middle East, Europe, and the United States.

**Invited, expert contributors:** Each country chapter is written for this volume by local experts who are both intellectually and politically engaged with the issues they address.

**Unique local perspective:** The authors locate women’s movements within the terrain from which they emerged by exploring their relationships with the state, civil society, and other social movements.
