

NEW FROM WESTVIEW PRESS!

“Haskell combines the insights of a keen observer of the inner workings of Washington with an experienced teacher’s instincts of how to relay information to college students. He places Congress squarely within the political context of modern Washington and explains not only how Congress works, but why students should care.”

—*L. Marvin Overby, University of Missouri*

This engaging new book gives students a succinct yet sophisticated overview of Congress and the policymaking process. Key features include:

- Offers a **nuts-and-bolts look at how Congress really works**, including in-depth explanations of congressional oversight and appropriations.
- Uses a **student-friendly, accessible writing style and up-to-date, real-life examples**, including special topics boxes, throughout.
- Utilizes the **metaphor of Congress as the “board of directors”** of the U.S. government as a helpful guide to comprehending Congress’s functions and duties.
- **Compact and authoritative**, it is an essential supplement or core text for courses on the U.S. government or Congress.
