“While your computer spell-checker still does not like the term, ‘multilateralism’ has moved from the periphery to the mainstream of foreign policy concerns by major and minor powers alike. *The New Dynamics of Multilateralism* is essential reading for all serious students of world politics and global governance.”

—Thomas G. Weiss, The CUNY Graduate Center

This accessible new book focuses on the various dynamics of contemporary multilateralism as it relates to global issues, global governance, and global institutions and shows students how multilateralism as an institution has been affected by globalization. Key features include:

- ✦ **Original, invited contributions from global experts**, including Joseph H. Melrose, Peter D. Bell, and Ramesh Thakur.
- ✦ **A variety of perspectives**, including academics, business people, NGO leaders, and officials of international organizations.
- ✦ **Emphasis on practical applications** of multilateralism from people directly involved with the issues.
