

# New Edition from Westview Press!

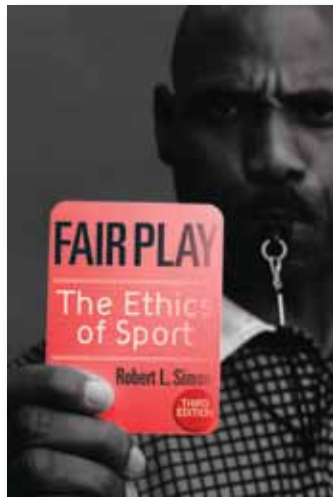

**“Robert Simon’s new edition of *Fair Play* is, simply put, the best book of its kind. ... What’s more, the book is a compelling read, free of jargon, persuasively argued, and teeming with incisive commentary.”**

**–WILLIAM MORGAN, UNIVERSITY OF SOUTHERN CALIFORNIA**

Addressing both collegiate and professional sports, *Fair Play* explores competitive athletics and their connection to moral dilemmas and ethical theory. The new third edition features:

**Significant new material:** New sections address the ethics of genetically enhancing athletic abilities; the analysis of sports and games according to influential philosopher Bernard Suits; the morality of cheating and the ethics of strategic fouling; and the impact of performance-enhancing drugs on the legitimacy of records.

**Enhanced discussion of key topics:** The book includes updated considerations of the morality of competition in sports, the ethical aspects of violence in sports, and the arguments in defense of intercollegiate sports.

July 2010, 256 pages,  
978-0-8133-4368-6, \$33.00, pb
