A fully revised and updated edition of the bible of the newspaper industry

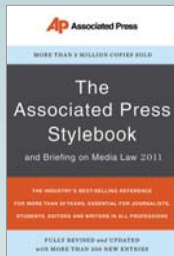

More people write for the Associated Press than for any newspaper in the world, and writers—nearly 2 million of them—have bought more copies of *The Associated Press Stylebook* than any other journalism guide. It provides facts and references for reporters and is a usage, spelling, and grammar resource for editors.

A fully reviewed and revised edition with more than two hundred new and updated entries and containing new social media guidelines, **The Associated Press Stylebook and Briefing on Media Law 2011** remains the essential reference for writers, researchers, and journalists.

May 2011, 416 pages, ISBN: 978-0-465-02187-1, \$19.99, paperback
