## YELTSIN

A POLITICAL LIFE

Timothy J. Colton

**A major reassessment of one of the most important—and complex—political figures of the modern age**

Even after his death in April 2007, Boris Yeltsin remains the most controversial figure in recent Russian history. In this, the first biography of Yeltsin's entire life, Soviet scholar Timothy Colton traces Yeltsin's development from a peasant boy in the Urals to a Communist party apparatchik, and then ultimately to a nemesis of the Soviet order. Based on unprecedented interviews with Yeltsin himself as well as scores of other Soviet officials, journalists, and businessmen, Colton explains how and why Yeltsin broke with single-party rule and launched his drive to replace it with democracy.
