**“Thoroughly researched and carefully documented, this volume is the best place to begin exploring the intelligence community as it exists today.”**  
—Steven Aftergood, Federation of American Scientists

**“No one has ferreted out the details of this subject better than Dr. Richelson.”** —Loch K. Johnson, Regents Professor, University of Georgia; Senior Editor, *Intelligence & National Security*

This comprehensive yet accessible survey provides an authoritative overview of America's vast intelligence empire—its organizations, its operations, and its management structure. The sixth edition of *The US Intelligence Community* features:

A thoroughly updated examination of the Defense Intelligence Agency.

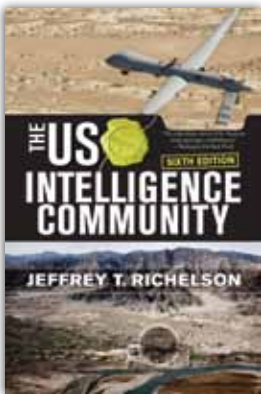

An issues chapter discussing new topics, including how changing targets and technologies may influence the future direction of the US intelligence organization and activities.

New sections on the intelligence components of the new Africa Command, the cooperation between the CIA and Pakistan's Inter-Services Intelligence Directorate, domestic intelligence products, and much more.

**NEW EDITION!**

**JEFFREY T.  
RICHELSON**

has taught at The University of Texas at Austin and American University in Washington, DC. A senior fellow at the National Security Archive in Washington, DC, he has authored numerous works on intelligence, spying, and weapons of mass destruction, including *The Wizards of Langley*.
