AN UNBROKEN AGONY

Haiti, From Revolution to the Kidnapping of a President

RANDALL ROBINSON

"A passionate and controversial look at continuing US involvement in Haiti."

— *Library Journal*

On February 29, 2004, the first democratically elected president of Haiti, Jean-Bertrand Aristide, was forced to leave his country. The president was kidnapped, along with his Haitian-American wife, by American soldiers and flown to the isolated Central African Republic.

An Unbroken Agony begins with the present anarchic disrepair of modern Haiti and looks back to see how this grew from such a heroic struggle for emancipation. From one revolution to another, Haiti has changed the fate of empires yet has not been able to live up to the promise of its birth. Best-selling author and social justice advocate Randall Robinson explores the singularly curious and inimitable tragic history of this island nation and chronicles his own cross-Atlantic journey to rescue the Haitian president from captivity in Africa.

RANDALL ROBINSON

RANDALL ROBINSON is the author of the bestsellers *The Debt*, *The Reckoning*, and

Defending the Spirit. He is also founder and past president of TransAfrica, the African-American organization he established to promote enlightened, constructive US policies toward Africa and the Caribbean. In 1984, Robinson established the Free South Africa Movement and in 1994, his public advocacy, including a 27-day hunger strike, led to the UN multinational operation that restored Haiti's first democratically elected government to power. Mr. Robinson lives with his wife and daughter in St. Kitts.
