

JAPAN EMERGING

Premodern History to 1850

EDITED BY KARL FRIDAY

NEW FROM WESTVIEW PRESS

Japan Emerging provides a comprehensive survey of Japan from prehistory to the nineteenth century. Incorporating the latest scholarship and methodology, leading authorities writing specifically for this volume outline and explore the main developments in Japanese life through ancient, classical, medieval, and early modern periods. Instead of relying solely on lists of dates and prominent names, the authors focus on *why* and *how* Japanese political, social, economic, and intellectual life evolved. Each part is developed around a set of guiding questions and issues, and begins with a timeline to help orient readers and enhance continuity. Engaging, thorough, and accessible, this is an essential text for all students and scholars of Japanese history.

March 2012, 496 pages, ISBN: 978-0-8133-4483-6, \$49.00, paperback
