

NEW EDITION FROM WESTVIEW PRESS!

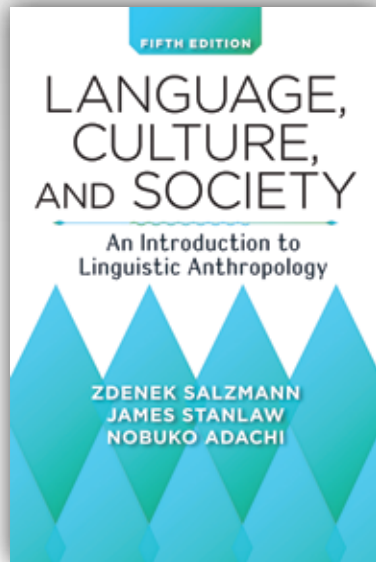

“Salzmann’s fifth edition is undoubtedly the best introduction to the field of linguistic anthropology currently in print. The book has an engaging writing style making it highly readable so that complex material is both accessible and interesting.”

—TIM WALLACE, NORTH CAROLINA STATE UNIVERSITY

New coauthors James Stanlaw and Nobuko Adachi join Zdenek Salzmann in updating this classic teaching text for the introductory linguistic anthropology course. The **fifth edition** of *Language, Culture, and Society* features:

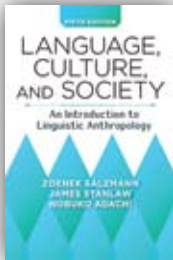

- ▲ Three new chapters on language and thought, language and ideology, and language in a globalized world, as well as expanded consideration of the role of linguistics as a key subfield of anthropology.
- ▲ An updated built-in resource manual and study guide for students and instructors, including key terms, discussion and study questions, and much more.
- ▲ Sidebars and boxes throughout the book to provide ethnographic detail, enhance student comprehension, and illustrate the practical experience of conducting linguistic research.
