

NEW EDITION FROM WESTVIEW PRESS!

FOURTH EDITION
RACE
IN NORTH AMERICA
ORIGIN AND EVOLUTION OF A WORLDVIEW
AUDREY SMEDLEY AND BRIAN D. SMEDLEY

"This book is an essential resource for anyone interested in the past, present, and future of race and race relations in North America."

—John F. Dovidio, Yale University

In this classic, sweeping work that traces the idea of race for more than three centuries, Audrey Smedley shows that "race" is a cultural invention that has been used variously and opportunistically since the eighteenth century. New coauthor Brian D. Smedley joins Audrey Smedley in updating this renowned and groundbreaking text.

Features of the **fourth edition** of *Race in North America* include:

- **A compelling new chapter** on the health impacts of a racial worldview.
- **A thoroughly rewritten chapter** on "Dismantling the Folk Idea of Race," with new material on the election of Barack Obama and its implications for the meaning of race in America and the future of our racial ideology.
- **New material emphasizing race as a social construct**, including recent findings on the human genome and new understandings of DNA expression.

July 2011, 400 pages, 978-0-8133-4554-3, \$45.00, pb
